We wanted something refreshing to the eyes not sacrificing of course the quality and content. We wanted something innovative not leaving the company's culture and values. We wanted something informative yet relatable.

Welcome to the 23rd issue of Insider! We hope that you'll have as much pleasure reading this 16-page offering as much as we have enjoyed compiling this for you. Happy Reading, Raquelistas!

Through the years, RPI has grown stronger making it one of the most reliable pawnshop industries in the country. With the help of the people behind the institution who passionately and incessantly provide innovative ideas to sustain the development of new customers, RPI continues to evolve in terms of the latest services the company has been offering. And we cannot thank the customers enough for continuously patronizing products and services that are RPI certified.

RPI gives back. Like what a famous quote from Winston Churchill states, "We make a living by what we get, but we make a life by what we give", the institution gives more importance on what RPI can offer to communities in a way that every customer will be catered with their current preferences and become part of the family as a certified *Raquelista*.

Through the customers' continued support to Raquel Pawnshop, the institution becomes more inspired and more determined to give only the best for its loyal patrons. Because of this, RPI has partnered with Cebuana Lhuillier for Pera Padala, Ayannah for Smart Padala, Globe for GCash Cash In and Cash Out and RCBC for Mobile POS. With this, the company hopes that more customers will be catered with their needs.

Aside from the newly launched services, RPI continues to give back through its (Corporate Social Responsibility) CSR Activities. This aims not only to give back to communities through facilitating programs to selected elementary schools but also to give inspiration to the young people of today.

In the coming years, the company opts to continue the legacy of providing the best to communities. As a gesture of appreciation, RPI is looking forward to witnessing more touched hearts and changed lives.

MESSAGE FROM THE BOARD

Our hearts are filled with joy and warmth with the overwhelming support we are getting from our loyal customers. RPI would have never achieved this much if weren't for your continued patronage to our products and services. Your loyalty to the company is our inspiration to strive to be better every day.

For more than three (3) decades, the company has grown and is continuously improving. In the past months, RPI has put up additional branches all over CALABARZON region and launched new services to be offered to communities. CSR 2017: THE YEAR OF SHARING BLESSINGS AND BUILDING HOPE TO THE YOUTH

“Raquelistas, it is time for #GivingBack.”

For 32 years, Raquel Pawnshop, Inc. has been considered a shining beacon of hope to communities and its people. Through outstanding products and services, the company is able to cater to people’s current preferences. Your continued support, our dear customers, inspires us even more to improve and continue what RPI has started. And because of this, it is just right to share the blessings the company has been receiving ever since RPI’s first day of operations to our surrounding communities and its people. Raquelistas, it is time for #GivingBack.

2017 is indeed a year of sharing blessings and giving inspiration particularly to the youth. Because of this, RPI has initiated Corporate Social Responsibility (CSR) Activities to chosen Elementary Schools in Batangas and Quezon Province.

Last November 26, 2017, RPI initiated a *Maagang Pamaskong Handog ni Ate Raquel* in San Teodoro Elementary School in Bauan, Batangas. The said school was endorsed by the Department of Education Regional Office in Batangas City during the search of the company for a school beneficiary near the newly opened branch of the company in Bauan, Batangas. Raquel Pawnshop, Inc. headed by its President and CEO, Ms. Raquelita R. Rafa facilitated a short program where pupils and faculty members were able to enjoy. 215 umbrellas were distributed to pupils, teachers and officers of the Parent-Teacher Association (PTA). The school, headed by its Principal Mr. Dionisio Cruzat, received 5 wall fans for each classroom and 1 colored printer as support to the 8 teachers in preparing for their teaching materials.

An opportunity to help and share was also given to Raquel Pawnshop when Lucena Dalahican National High School – Barra Annex invited the company to join their Christmas party last December 21, 2017. Simple snacks and gifts were prepared for the students and teachers of the said high school.

Donations to two (2) mentioned elementary schools located in Bauan, Batangas and Dalahican in Lucena City respectively are aligned to the goal of the company which is adding a school beneficiary every year on top of the existing four (4) adopted schools of the company namely: Mate, Lakawan and Padakaki Elementary Schools in Tayabas City and Reymar Compound Elementary School in Lucena City.

Last December 6 and 7, 2017, Raquel Pawnshop, Inc. held the annual Corporate Social Responsibility (CSR) Activities in the four (4) adopted schools of RPI. This year, the company opted to donate hygiene kits containing toothbrush, toothpaste and hand towel per kit. This aims to help pupils be knowledgeable on how important dental hygiene is. Children were all smiling as they received their hygiene kits. They were very excited to learn more about dental hygiene. The company's accredited dentist, Dra. Anna Liza R. Placido, was also invited to grace the annual program to facilitate a short demonstration on brushing their teeth properly and regularly.

Children are, as what they say, the hope of our fatherland. And it is always a great feeling whenever we are able to contribute values and happy memories to these young people and help them realize more the importance of having big dreams and striving to make it happen.

“In fact, a total number of 1,493 pupils were able to receive Christmas presents from Ate Raquel.”

“Raquel Pawnshop, Inc. opts to continue to reach more communities, touch more hearts and change more lives.”

Indeed, Raquel Pawnshop, Inc. was able to make another year of CSR a success. In fact, a total number of 1,493 pupils were able to received Christmas presents from *Ate Raquel*. This would never be possible if not for the dedication and passion of the people behind the company whose goal is to share blessings, give smiles and inspire.

True to its mission, *“to contribute to prosperity of its people and surrounding communities”*, Raquel Pawnshop, Inc. opts to continue to reach more communities, touch more hearts and change more lives.

Pamanang hindi Kumukupas

Source: www.google.com

Mahirap kumita ng pera. Malaki ang sakripisyong inilalaan ng mga tao upang kumita kaya naman marami rin ang matalinong dumidiskarte sa kanilang perang natatanggap. Sa pag-usad ng panahon, marami nang naiisip ang mga mamamayan na iba't-ibang paraan ng pag-iimpok o pag-iipon. Sa patuloy na pagtaas ng halaga ng mga pangunahing pangangailangan ng mga tao, isang matalinong paraan ang mag-impok para sa kinabukasan. Isa sa mga paraan nito ay ang pag-iinvest o pamumuhunan. Ito ay isang epektibong paraan upang mas mapaunlad pa natin ang ating kabuhayan.

Marami ang nag-iinvest sa pamamagitan ng mga *insurances*, meron namang namumuhunan sa mga lupain habang marami ang nahuhumaling sa pag-iinvest sa ginto o *gold*.

“Sa pag-usad ng panahon, lahat ng bagay ay naluluma, lumilipas at nawawalan ng halaga ngunit hindi ang ginto.”

Sa puntong ito, magbigay tayo ng diin sa pag-iinvest gamit ang ginto. Bukod sa ito ay maganda bilang isang aksesorya ng mga babae gayundin ng mga kalalakihan, maaasahan mo rin ang ginto na mabilis na mapagkukunan ng pera sa panahong kailangang-kailangan mo ito.

Pero, bakit nga ba mahalaga na matuto tayong mag-iinvest sa *gold*?

Sa pag-usad ng panahon, lahat ng bagay ay naluluma, lumilipas at nawawalan ng halaga ngunit hindi ang ginto. Sa katunayan, tumataas pa nga ang halaga nito sa paglipas ng panahon. Ika nga sa wikang Ingles, “Gold appreciates”. Ito ang itinuturing na pinaka-sigurado at maaasahan lalung-lalo na sa oras ng pangangailangan.

Ang pamumuhunan gamit ang ginto ay angkop sa lahat. Para sa mga *millennials*, pag-aralan ang pag-iinvest sa ginto. Ang pinag-uusapan natin dito ay benepisyong pangmatagalan. Dahil nga sa katotohanan na tumataas ang halaga ng ginto sa pag-usad ng panahon, matalinong paraan ang pamumuhunan gamit ito. Ang mga *millennials* ang tinatawag na *workforce* ng kinabukasan. Mahalaga na ngayon pa lang ay sinisimulan na nilang magpundar para sa kanilang *financial stability* sa darating na panahon at ginto ay isa sa mga pinaka-epektibong pamamaraan nito.

Maging ito man ay isang bagay na ibinibigay sa mahal sa buhay bilang isang regalo, kinahihiligang isuot bilang aksesorya o mabilis na mapagkukunan ng pera sa oras ng pangangailangan, tunay ngang ang into ay isang mahalagang elemento sa ating buhay. Marahil may mga taong hindi pa gasinong nakikita ang kahalagahan nito sa kanilang buhay ngunit kung bibigyan lang natin ng pagkakataon na matutunan ang benepisyong nito at simulan ang pamumuhan dito, tiyak na mabibigyan mo ito ng importansya sa iyong kinabukasan.

Kaya naman Raquelistas, mamuhunan nang matalino. Mag-iinvest na sa *gold*.

Para sa iba pang katanungan hinggil dito, maaaring bisitahin ang *Raquel Pawnshop Showroom* na malapit sa'yo. //Lyka A. De Los Nieves

Trip to Palawan

Last September 14-16, 2017, two (2) of RPI Branch Personnel were privileged to explore Palawan with their loved ones as part of their incentive. Ms. Jennifer Marciano-Resusta and Ms. Kristine S. Briones were very thankful for a once in a lifetime opportunity the company has given them.

Jennifer M. Resusta

"Kapag may sipag, tiyaga at tiwala, may TRIP TO PALAWAN ☺ Dati pinagdadasal ko lang talaga na makaranas ako na ma-hit ko ang aking mga targets, pero sadyang napakabait ni Lord. He gave me more than what I prayed for. 'Yung lugar na napapanuod ko lang sa telebisyon at ang lugar na pinapangarap ko lang dati, ngayon napuntahan ko na. It's a dream come true. Sadyang napakaganda po ng Palawan. Wala

pong pagsidlan ang aking kaligayahan. Ginawa ko lang po talaga ang trabaho ko at di ko po talaga inakala na ito ang kapalit ng lahat na aking pagpupursigi sa trabaho.

First of all, I want to give thanks to RPI Marketing Department for giving their best to give us, Ate Kristine and I, a wonderful experience in Palawan from the accommodation, the tour and the flight. I would also like to give thanks for giving us the opportunity to experience Palawan with our respective husbands which made our trip more memorable. Salamat din po sa aming Operations Manager at Area Coordinators na palagi kaming binibigyan ng motibasyon upang pagbutihin pa ang aming trabaho. Most importantly, a heartfelt thanks to Raquel Pawnshop, Inc. for this recognition and incentive of an all-expense-paid trip to Puerto Princesa City, Palawan. I will treasure this experience forever. Maraming salamat po."

Kristine S. Briones

"Being an appraiser is a tough but a satisfying job. Providing outstanding customer service and being able to put smiles on their faces is more than the compensation we receive. Beyond the products and services we offer is the rapport we have established with our customers providing them customer experience.

As an appreciation of my work, I was given the chance to explore Puerto Princesa where I experienced new environment, fresh air and relaxing views. It was a really

exciting trip because I never expected this trip where photos of tourist spots can only be seen in television and magazines will come to life. The trip was indeed one of the greatest memories of my life. Palawan is a place that is popular for its boat trips through massive limestone caves and Underground River and a home for long nose dolphin turtles and rays. It feels like "larawang 'di kukupas sa aking alaala". This is how I can describe my travel in Palawan.

As a Raquel Pawnshop Branch Personnel who was given the chance to experience Palawan Trip as an incentive and appreciation of my work, I am truly grateful for this recognition and at the same time for the appreciation of my passion at work. Because of this, I am more inspired to do better in my career. I commit that I will strive to be better every day both for me and for the company. From the bottom of my heart, thank you very much Raquel Pawnshop, Inc."

Hard work does pay off and it is very evident in what one of RPI employees has shown. Mr. Luisito O. Cabriga or Kuya Louie as most of us call him is described as industrious, responsible and is a people person. Because of his passion and dedication at work, last December 16, 2017, he was recognized as RPI Support Staff of the Year during the company's Gala Night. Being of service to the company for over fourteen (14) years now, Kuya Louie has always been striving to provide an outstanding performance at work leaving him to be an inspiration not just to his family but also to his co-workers. As an RPI employee myself, I felt privileged that I was able to get the chance to get to know more about this year's awardee - his experiences as an RPI Employee, insights and wishes for the future.

Since his first day at work, June 4, 2003, Kuya Louie has always been very thankful to the Management for giving him the opportunity of a lifetime. For him, being part of Raquel Pawnshop, Inc. provided him with experiences which he holds close to his heart. As a Company Driver, he feels blessed to be able to travel to places he has never been before. *"Masaya ako na nabibigyan ako ng oportunidad na makapunta sa mga lugar na hindi ko napupuntahan."* When asked about his experiences, *"nakakapagod pero kapag nakikita ko na masaya ang mga taong pinaglilingkuran ko, mas masaya ako. Nawawala ang pagod ko."* Aside from being privileged to be given the opportunity to travel to places, he also considers himself blessed to be part of RPI for the benefits he has received not just for himself but also for his family. According to Kuya Louie, *"Nagpapasalamat ako sa Raquel Pawnshop kasi nabigyan ng scholarship ang aking anak at ngayon ay isa na rin siyang empleyado dito."* Truly, Kuya Louie has able to show genuine passion for service and that he deserves all the blessings he has been receiving ever since.

With the overwhelming support he is getting from his family, friends and even his co-workers, Kuya Louie will always be thankful for everything he is being blessed with. At the same time, he will always be inspired

"Masaya ako na nabibigyan ako ng oportunidad na makapunta sa mga lugar na hindi ko napupuntahan."

"Nagpapasalamat ako sa Raquel Pawnshop kasi nabigyan ng scholarship ang aking anak at ngayon ay isa na rin siyang empleyado dito."

and determined to be outstanding with his overall performance at work. The recognition he received is a testament for all his hard work and dedication at work. Kuya Louie will always strive and persevere to be better every day and in every way. //Maria Luisa M. Adoreno

Paano mo nalalaman kung siya na ang *The ONE*?

"Love is always patient and kind. It's never jealous. Love is never boastful or conceited. It is never rude or selfish. It does not take offense and is not resentful."
– Nicholas Sparks, *A Walk to Remember* 2002

Marami sa atin ang naghihintay sa pagdating ng tunay na pag-ibig. May naiinip, may naghahanap sa ibang bagay gaya ng pagta-*travel*, may naghahanap sa pamamagitan ng pamilya at kaibigan. Minsan sa paghahanap natin ng tunay na pag-ibig, may mga pagkakataong nakakakilala tayo ng mga taong akala natin sa una ay tamang tao pero hindi pala. May ilang masasabi nilang nakita na nila, may iba naman patuloy pa rin ang paghihintay.

Ang tanong: Paano mo nga ba malalaman kung siya na ang maiituring mong *The One*? 'Yung tipo ng taong makakasama mo sa iyong *Road to Forever*.

May walong (8) bagay ang pwede mong tandaan upang masagot ang tanong sa isipan, "Are you the one?"

- 1. Hindi ka nahihiyang ipakita ang totoong sarili mo sa kanya** – Hindi ka nahihiyang ipakita kung ano ka bilang tao, kaibigan o kapamilya. Hindi mo iniinda kung makita ka man niyang walang *makeup* o sa sinasabi ng karamihan ang iyong *#WokeUpLikeThis* na hitsura. Malaya kang maipakita sa kanya ang tunay na nararamdaman sa mga bagay na hindi n'yo napapagkasunduan at higit sa lahat, hindi ka nahihiyang ipakita ang kahinaan mo.
- 2. Tanggap n'ya ang pagkakaiba nyo sa isa't-isa** – Ito 'yung tanggap ka niya kung sino at ano ka bago ka pa man niya nakilala. Hindi niya binabago at kinokontrol ang mga bagay na sa tingin niya ay makakapagpaligaya at magkumpleto sa iyo bilang isang tao. Nirerespeto niya ang bawat desisyon na gagawin mo at andiyan din siya para gabayan ka.
- 3. Isa siya sa mga pinagkukunan mo ng lakas at inspirasyon** – Bukod sa iyong pamilya at malalapit na mga kaibigan, siya rin ay nagsisilbing inspirasyon sa iyong buhay. Siya ang pinaghuhugutan mo ng lakas at motibasyon para malampasan ang mga problema at mga bagay na bumabagabag sa iyong sarili sa panahong pakiramdam mo ay hindi mo kaya.
- 4. Siya ay tinuturing mo na malapit na kaibigan** – Isa sa mga bagay na maaari mong tingnan at alalahanin upang malaman kung siya na ang *The One* ay kung tinuturing mo rin siyang malapit na kaibigan. Bilang isang kaibigan, tinuturing mo rin siyang tagapayo sa lahat ng bagay, tagahanga sa bawat pangarap na natutupad at mabuting impluwensya sa iyo. Mahalaga na maging pundasyon ng isang relasyon ang pagkakaibigan.
- 5. Hindi siya titigil hangga't hindi ninyo naayos ang problema** – Hindi ka niya iiwan sa ere. Sabay ninyong ireresolba ang mga bagay na hindi n'yo napagkakasunduan. Tatanggapin n'ya ang mga opinyon mo at ganun ka rin sa kanya.
- 6. Alam n'ya kung ano ang makakapagpaligaya sa iyo** – Mula sa *candy* na mabibili sa kapitbahay hanggang sa paglalaan ng oras sa kanya ay isang malaking bagay para sa taong ito. Dito, hindi sukot ang kasimplehan o karangyaan ng ibibigay mo. Sa huli, mas mahalaga pa rin ang intensyon ng tamang tao sayo – ang lubos kang mapasaya.
- 7. Itinuturing ka niyang mahalagang tao sa kanyang buhay** – Isa ka sa mga taong importante sa kanya kaya hindi niya maiiwasang isama ka sa mga desisyon at plano niya sa buhay. Gusto ka niya na laging *updated* sa mga kaganapan sa kanya. Nanalo ka man sa isang contest o na-promote sa trabaho, ikaw ang laging gusto niyang unang makaalam.
- 8. Mahal mo siya at mahal ka niya** – Kung susumahin, ang isang mahalagang pamantayan para malaman mong s'ya na ang *The One* ay ang pagmamahal n'yo sa isa't-isa. Iyong tipong kapag nakikita mo s'ya masasabi mo na lang sa sarili mo na "Ang swerte ko sa kanya."

Ang mga bagay na nakasaad dito ay maaaring makatulong upang malaman kung ang taong ito na nga ba ang *The One*. Ngunit sa huli, ikaw pa rin ang makakapagsabi kung siya na nga ba talaga. Sundin hindi lang ang tinitibok ng iyong puso ngunit pati na rin ang binubulong ng iyong isipan.

Ikaw ba, are you *the one*? //Lyka A. De los Nieves
